Where you choose to live while attending the University is an important part of your experience

Where you choose to live is an important part of your experience. With the widest range of accommodation choices, Atlantis University has the right living option for you while you attend the University and live in Miami.. For questions or assistance regarding housing, please email us at:

New students who have been admitted to the University are required to live in AU housing accommodations for their first semester. Housing is mandatory for all freshman international students.

Students admitted should apply for housing at least 1 month prior to their start of their academic semester. Applying early will determine in part a student's future priority to access single rooms, be considered for room changes, and having earlier housing sign-up appointment times.

Housing Options:

When moving in with other students you may have two or three roommates, depending on the apartment units. Accommodations available in student roommate situations cover a wide range of apartments and locations.
